

HENRY N. SEAT IS DEAD.

The following is an extract taken from an article in the Grant City (Mo.) *Star* of July 20th:

"Henry N. Seat was born in Cooper county, Missouri, August 7, 1826. He spent his early life in Cooper, Morgan and Cole counties, until about sixteen years old, when he came with his parents to Davless county and lived there about two years; then went to Worth county, where they settled on a homestead in East Allen township. On September 23, 1847, he was married to Miss Clementine Thornton and in 1848 moved into the house, built with his own hands, that proved to be his dwelling-place the rest of his days—a period of over fifty-one years—and in which his body gave up the spirit to Him who gave it, Sunday, July 16, 1899, at 12:30 o'clock. His children are five—Sarah A., Elizabeth E., John B., Robert E. L., and Henry W."
