J. S. M. Huff was in town Monday to have sale bills printed and informs us that he has purchased the Whitman residence and Naylor hardware store at Marshall and will move there and go into business. John has proven himself a good farmer and school superintendent and his many friends in this locality wish him success in the hardware business.

J. S. M. Huff sold his 200 acre farm south of Slater last week for \$125 per acre. The purchaser's name was not given to us, but we understand the sale was negotiated by W. T. Burroughs, of Marshall, who also sold Mr. Huff a residence in Marshall, and it is reported that he will make that place his home and engage in the hardware business.
