DEATH OF LITTLE URBAN SMITH AGE 2
YEARS 3 MONTHS 4 DAYS.

The death angel has entered into our family and taken our sweet little boy the joy of his mothers heart. Little Urban came into this world January 22 1908, to brighten and bless the home of Mr. and Mrs. Urban Smith. There never was a child more sweet and dear than this baby boy. So patient through the hours of his suffering which indeed must have been intense. We loved this precious blossom so, why was it God called him so soon, though we know not Gods way. Now he is resting where there is no sickness, no death no sorrow. Oh God help us to say thy will be done.

"Thy will be done—he has left us,

Gone from the world in the light of
his beauty.

Gone to his God in his babyhood and
purity.

Gone to his home in the utmost secur-
ity,

Gone to the angels in glory and bright-
ness,

Gone from the loved ones, who lingered
in sadness.

Oh how sad did seem the parting,

And our cross is hard to bear,

But he is in the heavenly mansion,

There will be no parting there.

AUNT LIZZIE FLUKE.
