

DR. M'NEIL IS VERY ILL

One of Sedalia's Oldest Physicians
In Critical Condition.

D. George F. McNeil, residing at 208 East Thirteenth street, is reported to be seriously ill and very low Thursday afternoon. There was a false report circulated this morning that he was dead. How it got out is not known. Dr. McNeil is suffering with a lung abscess that has been troubling him for the past four years. He is receiving the best medical attention possible to obtain. Dr. McNeil's brother, Dr. Charles McNeil, the doctors of the M., K. & T. hospital and other prominent physicians are waiting upon the afflicted surgeon.

Dr. McNeil is one of Sedalia's oldest and most prominent physicians and surgeons. He has been with the Missouri, Kansas and Texas hospital for a number of years and is well known to the employes of the company.

Dr. George McNeil was reported as resting much easier Thursday night. It was stated that his condition was improved over what it was during the day.
