**Take Children to State Home**  
Edgar Evans, Jr., 23 months old, and Ruth Evans, a 9-months-old baby, both minor children of Mr. and Mrs. Edgar Evans, who live at the intersection of Marion and English Avenue, were taken to Carrollton today by a representative for the state board of charities and corrections. The children were ordered to the home the other day by Judge Robert Reynolds in juvenile court.  
According to Mr. and Mrs. R. Edgar Evans, who live in the Montague & Franklin addition, there has been some confusion on the part of the public between them and the Evans involved in this juvenile court proceeding. The families are not the same.
