Merle Davidson Weds George Leach Today

The marriage of Miss Merle Adelyn Davidson, daughter of the late Dr. C. O. Davidson and Mrs. C. O. Davidson, to George Elton Leach, son of Mr. and Mrs. W. T. Leach of Otterville, took place at noon today at the home of the bride's mother, 305 North Eighth Street. The Rev. John M. Alexander of the First Presbyterian Church performed the ceremony.

The bride wore a peach colored crepe frock, cut on simple lines. Her hose and slippers matched the dress.

Mrs. Lucile Vaughn played Mendelssohn's wedding march before the ceremony.

Only the immediate family was present at the wedding and the dinner that preceded the ceremony. The couple left for a trip to southern points, stopping at Little Rock, Memphis, and New Orleans. They will be away a month.

Mr. Leach is a graduate of the Central Missouri State Teachers' College at Warrensburg and was graduated from the School of Business and Public Administration of the University in 1924. He is now connected with the Missouri Pacific Railroad, with headquarters in St. Louis.

Mrs. Leach will finish her work in the University and will receive the degree of B. S. in Ed. in June. She will live with her mother until that time.
