## Lost An Arm In Unusual Accident

William Renno of Ridge Prairie  
Was Signalling When Truck  
Struck Arm

William Renno, 30, of near Ridge Prairie was the victim of an unusual accident Sunday night, which resulted in the loss of his arm.

Renno was driving east on highway 40 when he met a truck. He threw out his hand, indicating he was about to turn, and in some way the truck caught his arm.

He was brought to Marshall, where the arm was amputated at the shoulder. The driver of the truck didn't stop and it is doubtful if he know of the accident.
