### **Surnames: DAWSON STEWART HARRIS KEITH CRAIGHEAD DOLLAR**

I am looking for any information on DAWSON's living in Laclede county in the 1870's and 1880's. My great grandparents were married there in 1873 and died within a decade. Their names were Henry F. DAWSON and Sarah E. STEWART DAWSON. In 1875, they had my grandfather, Joseph Francis DAWSON and a daughter, Rose Ella (or Rosella) was born within a couple of years. When Henry and Sarah died, Joseph initially went to live with Henry's sister, Jane Etherton DAWSON and her young son Francis "Frank" Etherton DAWSON(mothers maiden name). We don't know who Rose Ella initially went to live with. She ended up in Caddo, Oklahoma with family surnamed KEITH and CRAIGHEAD. We don't know what happened to Rose Ella as an adult. She disappeared, pregnant and unmarried. One account was that she married and had a large family in North Texas. Joseph went to Texas as a 14 year old boy and worked on ranches. He married Rebecca DOLLAR and they eventually ended up in the area of Caney and Ato! ka, Oklahoma. There were other young adult DAWSON's in Laclede County I was told. Henry had another sister, Susannah, who was married to Ephraim HARRIS. They held land in Laclede County. They all migrated from Illinois to

Missouri. What I would like to know is any information on Henry and Sarah in Laclede County, including death dates. Also, who were Sarah's parents and where was she from? Also, if any one knows, what became of Rose Ella? Did Henry or Sarah leave a will that was probated or have any land records?

I have not been able to obtain a copy of the probate records for William (the MO State Archives is apparently still microfilming these docs.), so I was wondering if someone might have access to this documentation and if they could tell me the cause of death (He died in testate, and Mahala and a neighbor, Commodore WHITE were appointed as administrators of his estate).
