CEDAR COUNTY - MARRIAGE BOOK "A", 1845-1865

Cedar County was formed in 1845 from Dade and St. Clair. These records were transcribed from a microfilm copy of the marriage register filmed in the Recorder's Office at Stockton. The names were copied just as they appear in the original book. Sometimes the name in the marriage index does not seem to agree, and when this occurs the index version is placed in brackets immediately following the name. A key to the name (number) of the minister or justice performing the ceremony follows the marriage records.
