BRIEF HISTORY OF W. H. S. ALUMNI

The origin of the Alumni Association was due to the efforts of Mr. G. V. Baskett. This Society was started in 1915 by a reception that was given in honor of the high school. Mr. Baskett, having served as superintendent for three years, notified the graduates and organized this association. The same night they drew up a constitution and the first officers were elected.

July 4, 1915, a group of Alumni members decorated Mr. F. A. Londonberg's car for a parade and won first award. Later in the year they bought a piano bench, which was quite an article at that time and donated it to the high school.

During the World War, the members realized the needs of various organizations and instead of the annual banquet, gave a luncheon and gave \$50 to the Red Cross. In 1921 the school system failed to have money enough to finish the last month of school. The alumni again had a luncheon and gave \$75 toward the last month of school.

At the banquet in 1928 the members voted to have the banquet at Christmas instead of the usual time. This didn't turn out to be a very big success because of weather conditions. The Society was going to be in debt. When the treasurer called for donations, the Senior Class of 1929-1930 gave \$17 toward the debt. Along with the other donations this gave the Alumni enough to pay up in full. This was the last time the association has called for a donation.

They voted that they would continue to have the banquet after the close of school.

We have another honor that has been conferred upon the Association. Mrs. Alma (Dochterman) Lawson, a graduate of 1913, is the only parent to have a child graduate from the Wyaconda high school into the Alumni organization.
