INTRODUCTION

Crawford County is situated in the east-central part of Missouri. It is bounded on the north by Gasconade and Franklin Counties; on the east by Washington and Iron Counties; on the south by Reynolds and Dent Counties, and on the west by Dent, Phelps and Gasconade Counties. An act to organize the county of Crawford, formerly a part of Gasconade, was passed January 23, 1829. The early records of the County Court can not be found, but in 1835 the following townships were in existence - Meramec, Liberty, Courtois, Johnson and Skaggs. At the 1836 term of court, Meramec was divided to form Watkins Township. Osage Twp. was organized in 1847 and Boon in 1848. in 1870 the townships were Osage, Courtois, Liberty, Boon, Oak Hill, Benton, Meramec, Knob View and Union. Steelville was selected as the County Seat in 1836, named in honor of James Steel, an early settler, who owned the first store in the town. (Goodspeed's History of Franklin, Jefferson, Washington, Crawford and Gasconade Counties, Missouri. Goodspeed Publishing Co., Chicago, 1888.)

The marriages in this book were transcribed from a micro-film copy of the original "First Marriage Book" (April 1829-Sept. 1831) and "Marriage Book A" (1831-1855) filmed in the Office of the Recorder at Steelville, Missouri.

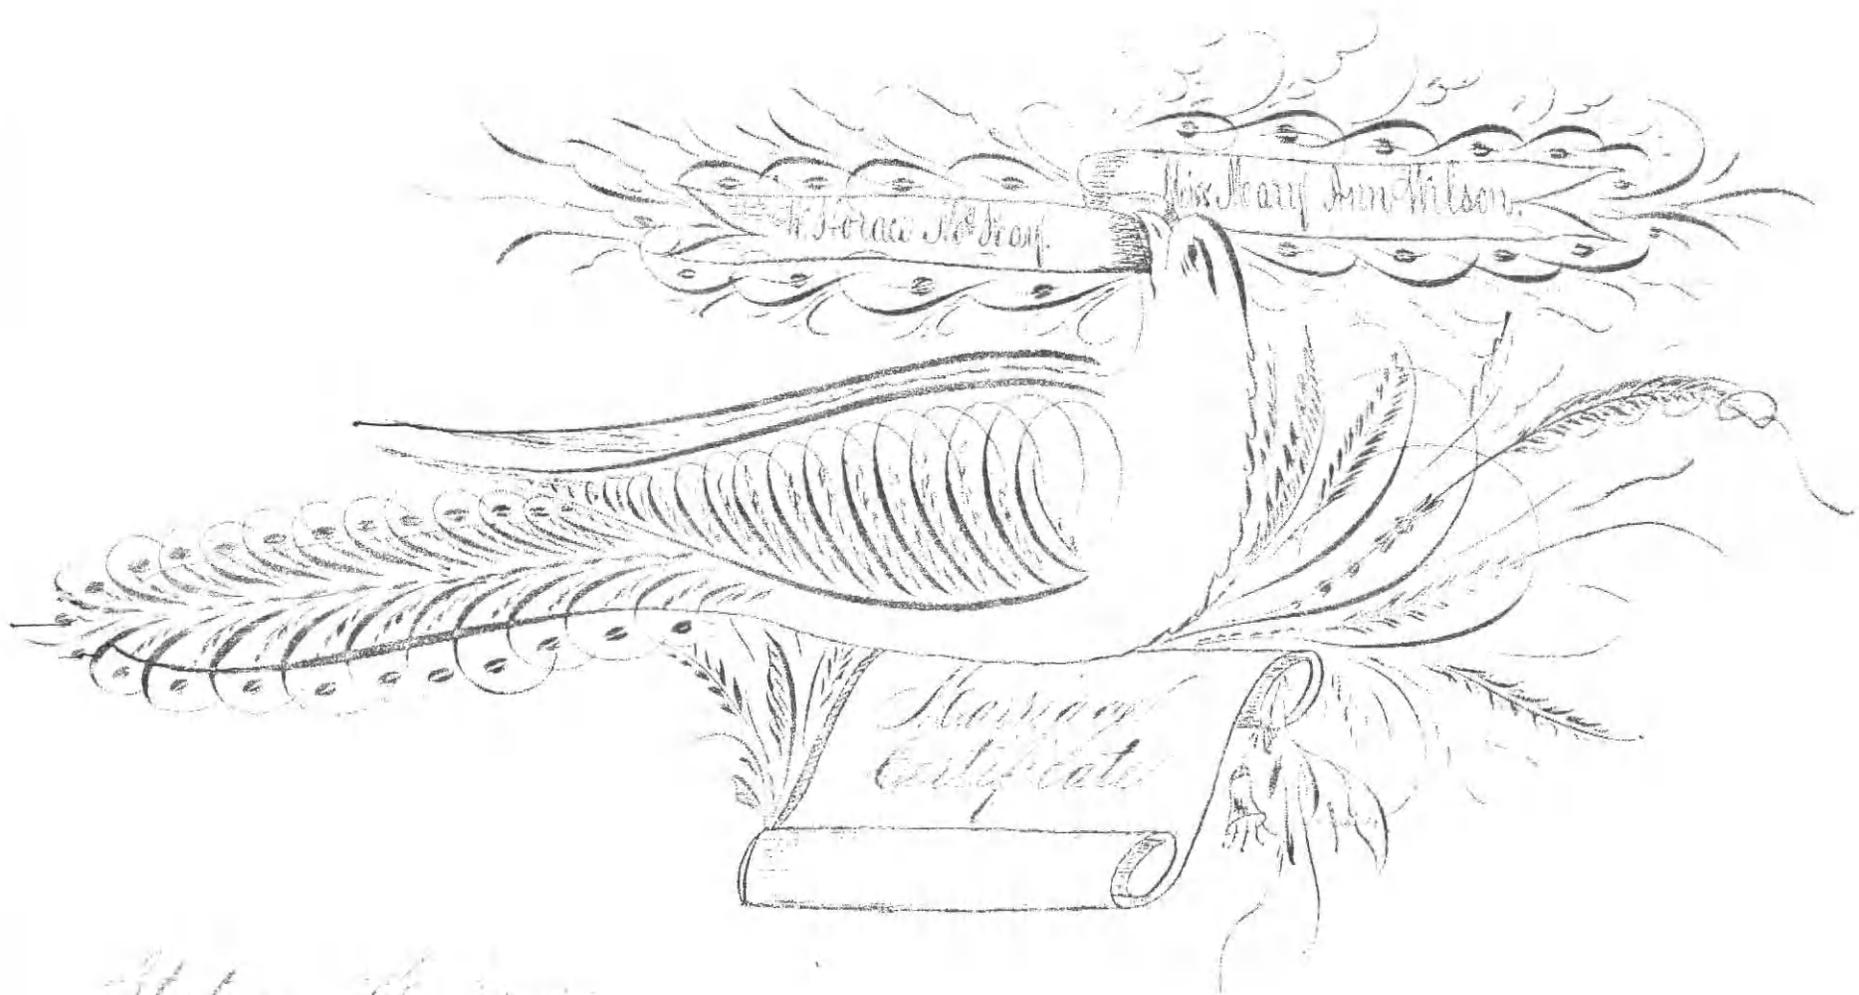

Many marriages were omitted from the indexes of the marriage books. Over half of the index of the "First Marriage Book" is missing. A large portion of the "B's" in Marriage Book A have been lost, and numerous names throughout the book can not be found in the index. Therefore, the page numbers of the original books are given, listing the marriages in the order in which they appear in the registers.

It is obvious that many of the names were misspelled, probably spelled the way they sounded to the one who performed the ceremony or the recorder. The compiler has endeavored to maintain the original spelling in spite of the apparent errors. Every name, where possible, has been compared to a copy of the original index. When the "index spelling" does not coincide with the name in the register it is placed in brackets immediately following. The reader should check all possible spellings of a name.

All information of genealogical interest has been abstracted. It is assumed that the parties were "of age" and were residents of Crawford County unless otherwise stated.

A "Key" to the names of Ministers and Justices who performed the ceremonies will be found in this book, beginning on page 48. The names are alphabetized and will not appear in the surname index that follows.

(The "First Marriage Book" is a small phamplet 6 by 7½ inches in size, containing less than 50 pages. The cover is missing and the pages are yellowed with age and worn at the corners. The index at the front is crumbling away. The 48 marriages, one to a page, are an exact copy. The compiler has capitalized the names, for ease in reading, but has made no changes in spelling or language.)
