OUR ALMA MATER

Once again here as school mates assembled
We fain would lift our hearts in song,
To our High School our dear Alma Mater,
With gladness and joy thus prolong.
We are proud of our lads and our lasses,
Of honors won in days gone by;
So here's a cheer for our old High School,
For our old High School,
Our dear old High.
Here's to our classes,
Here's to our lasses,
Here's to the lads they adore;
Here's to the Seniors so mighty,
Juniors so flighty,
Freshies and Sophomores.
Let mirth and gladness
Banish all sadness,
And, as the days go by,
You'll find us peppy and steady
And always ready
Boosting for our old High.

DEDICATION

Because he knows and understands---because
his heart has ever remained young, and
because of our great admiration,
love and respect for him, we

SENIORS

In 1941, 14 freshmen enrolled in Stewartsville High School. The first big event for the freshies, which they will remember, was the freshman initiation. The officers of the class were: President, Anita Smith; Vice-President, Robert Annis; Secretary and Treasure, Rosemary Wood; Sponsor, Miss McFarling. On November 28, Stewartsville School held its first school carnival. The queen of the freshman class was Jean West with Robert Annis as escort. During the year Dick Etchinson quit school.

In September 1942, as sophomores, five new ones came to join the class; Jo Ann Creamer of Union Star, Helen Ayers of Hamilton, Ethel Landis of St. Joseph, Milton Olsen and Mary Fitzgerald of Cameron. During the term we lost Harold Campbell, Jean West, Anita Smith, Voniece Jones, and Harold Doarn. Officers of the class were: President, Jo Ann Creamer; Vice-President, Ethel Landis; Secretary and Treasure, Maxine Salisbury. The sponsor for this year was Mr. Young. The carnival queen was Ethel Landis with Robert Annis escort.

In 1943, Pauline Creamer of Plattsburg joined the junior class. Jo Ann Creamer moved back to Union Star. The class officers for this year were: President, Robert Annis, Vice-President, Byron J Waller; Secretary and Treasure, Mary Fitzgerald; Sponsor, Mr. Van Horn. Again the carnival was the big event of the year and the junior class placed first. Helen Ayers was crowned queen with Robert Annis as her escort.

In 1944, thirteen seniors enrolled. Charles Kessler of Easton was a new member of the class. Virginia Baker went to Gower. The queen of the carnival was Esther Smith with Byron Waller as escort. This class was again victorious and Esther was crowned queen of the carnival.

Many different activities have been enjoyed during the past four years which everyone will remember for a long time. Now as their days at S. H.S. are about gone they will soon say three cheers for our dear "Alma Mater".

LAST WILL AND TESTAMENT OF DEPARTING SENIORS

Charles Kessler wills his air of importance to John Vanfossan.

Maxine Salisbury will gladly give her excessive weight to Bob Boyer.

Pauline Creamer wishes to give her grown-up looks and actions to Mary Alice Snow.

Marvin Smith leaves his "one and only" Charlotte Hayter to Sidney Welch.

Rosemary Wood takes her laugh with her, for to be confidential -- no one else would want it!

Maxine Martin leaves her many romances to Doris Winger.

Esther Smith wills her very quiet disposition to Gladise Hamilton.

Milton Olsen leaves his basketball playing technique to Harold Divelbiss, in hopes that it won't go to his head!

Mary Fitzgerald trustingly leaves Miss DeVall and Miss Klepper in the care of Carl Johnson.

Byron Waller sadly gives his curly locks to Ardra Cornelius -- she needs them!

Helen Ayers wills her outstanding Math ability to Lucile Martin.

Bob Annis dedicates his car to the student body as a means of hockey playing.

Velma Jean Fowler leaves.....PERIOD!!

SENIOR PROPHECY

At a carnival we attended not long ago, we visited Madam Timeitell, a gypsy fortune teller. She looked into the future and took us to the year 1952, and this is what we saw passing before our eyes in the crystal ball:

Maxine Salisbury taught Home Economics for three years, and while skiing in Switzerland, she met Dr. Vonduzzeldorf and married him. They are now specializing in the improvement of the jet propulsion rocket plane. Maxine always did whiz around -- so we know that she will be a success.

Charles Kessler was seen buzzing around in Paris, France, in a six-door Puick with his three female secretaries and valet. Charles has reached the top as a dignified lawyer and is working for the Lloyds of London. He was such a serious minded boy!!!! ????????

Maxine Martin has won her fame as a concert violinist. She made her debut in 1948 and appears with the New York Symphony Orchestra each week in Madison Square Garden. But the poor girl, as reported by Jimmy Fiddler, is steadily losing her fortune by playing the horses!!

Milton Olsen circumnavigated the globe three times with a red Ford motor car and a birch bark canoe. On the trip he met Esther Smith, an old classmate, in the Tahati Islands, where she was a boarding-house keeper for knitting-factory girls. After a short but happy courtship, they married and made the fourth trip together.

Pauline Creamer, who always kept the boys of the class busy killing all of the little bugs and worms that would rashly cross her path, has been appointed the professor of intymology in the University of Painsville.

Marvin Smith was sent by President Roosevelt (What? A fifth term?) to India to tame elephants but he was carried away on the back of the tamest one to parts unknown. He was later discovered in Iceland ringing church bells.

Mary Fitzgerald was seen as New York's most fashionable debutant. She will soon star in the Broadway musical, "In The Good Old Missouri Mad".

The crystal ball became clouded, the future looked dark, but suddenly Byron Waller was seen. Byron had a "Hollywood" of his own in India. Many beautiful Indian maidens were on the set doing as he directed. --- Oh! That flashy Byron!

Just around the corner was a dancing school. The neon read "Pete's". We looked inside and saw Velma Jean Fowler instructing the very elite the latest.

Rosemary Wood, now Mrs. B. Burpie Jingleball, was not satisfied as the wife of a mechanic, so was depending upon her earlier education to provide an existence. She was the head dietician in a state hospital in Ugetum.

JUNIOR HISTORY

In September, 1942, fifteen members took out their citizenship papers in Stewartville High School. Miss Penny was the sponsor and Lucile Martin was president of the class. At the carnival Gladise Hamilton was the class queen with Charles Brockman as her escort. During the last semester Johnny Vanfossan joined the class from Plattsburg.

Seventeen sophomores enrolled in 1943. Later during the year, Lloyd Eaton came from Maysville. The class officers were: president, Sidney Welch; vice-president, Johnny Vanfossan; secretary and treasurer, Marion D. Waller; and sponsor, Mr. Wm. Young. At the carnival the sophomores won second place. Doris Winger was the class queen and her escort was Norman Keller.

In 1944 seventeen juniors enrolled in S.H.S. This year one member was lost while one was gained. The new member was Elton Mayse from Plattsburg. The officers elected were: president, Sidney Welch; vice-president, Roland Francis; secretary and treasurer, Harold Divelbiss; and sponsor Mr. VanHorn. They were third in the carnival contest. In 1943 twenty-six students enrolled in August. They were welcomed after two weeks with the usual initiation. Class officers during the year were: president, Sue Mary Eames; vice-president, Bob DeVall; secretary, Maxine Binstead, and their sponsor was Mrs. VanHorn. For the Carnival, they selected Ila Mae Bauer as their queen and Daryl Ratcliff as her escort.

This year there are twenty-two members in the class. A new member, Iva Jean Kessler, attended Easton High School last year. Five members were lost: June and Russell Carson, Richard Saunders, Maxine Coble, and Wilbur Berryman. The following officers were elected: president, Sue Mary Eames; vice-president, Daryl Ratcliff; secretary and treasurer, Maxine Binstead. They selected Mrs. Van Horn as their sponsor. They had a party for the freshmen in the gymnasium in October. Maxine Binstead was chosen as queen for the Carnival and Charles Killgore as her escort.

FRESHMAN CLASS HISTORY

At the beginning of the year, a royal welcome was extended to thirteen freshman students, which is more commonly known as the usual freshman initiation. As the custom, a "talent" show was held in study hall for the entire student body and the "exceptionally fine performance" was given by the members of the freshman class.

The officers, elected at a specially called meeting were: president, Warren G. Hamann; vice-president, Francis E. Fitzgerald; secretary and treasurer, Norman D. Welch; and Miss Mary Klepper was selected as the class sponsor.

The first big event for the freshmen was the Carnival. As the result of much effort and work, they won second place in the Queen Contest. The class queen was Francis Fitzgerald and her escort was Wayne Cornelius.

They were very proud to have two members, Lee Anna Kerns and Charlene Johnson, on the volley ball team during the year. The entire class was enrolled in the glee clubs and chorus.

The class roll is as follows: Margaret Cochran, Kathryn Collins, Wayne Cornelius, Betty Gale Eaton, Francis Fitzgerald, Eilene Groom, Warren G. Hamann, Charlene Johnson, Virgil Kanan, George Karr, Lee Anna Kerns, Eugene Martin and Norman Welch.
