Senior Prophecy

by Carolyn Dunn

Looking through the crystal ball to 1970 we can see the senior class of 1959. What pleasant memories to recall way back then. Everyone of us has accomplished our tenth year objective.

Singing idol, Dale Griffin is singing at the Flamingo Hotel. He has become the idol of many teenagers. Elvis has decided it pays more to be a truck driver, since he had lost his many fans to twangy guitar player, Dale (Side-burns) Griffin.

Coach Ken Griffin has brought his football team to victory the last three consecutive years at U.C.L.A. Ken remains a bachelor in spite of his many swooning fans.

Ronnie Flinn has finally reached his life-time ambition---A BIG WHEEL. He is owner of Goodrich Tire Company.

Robert Farr is living at San Quentin. They had to put him somewhere, he is still waiting for Ken to come to California. Robert's reply, "Pals just fade away."

It seems we are up against another war. Republican President, Quinten Huss, warns that if Mars doesn't quit shooting space men on earth we will have to take action at once---SHOOT "EM" BACK!!!

Carolyn Dunn is spending her summer vacation in California where she enjoys her hobby, deep sea diving. She is married to a surgeon at Walter Reed Hospital.

Dennis Piepergerdes is now a TV star. He is playing the role of Bob Collins. He has taken Robert Cumming's place and will soon replace Rock Hudson who is fading out.

Patty Kagay now has become a famous doctor. They call her Clara Barton the Second.

Dianne Hamann is now a famous woman, as she has become the first woman superintendent of Stewartsville High School.

Sandra Ballinger is also making a name for herself. She is now playing the role of Kitty on "Gunsmoke," and opposite her in the role is Bob Haskell who plays Matt Dillon.

Bob Haskell (better known as Matt Dillon) is vacationing in Florida (he has been there since the senior trip). We accidentally on purpose left him there. He doesn't mind, he says it's closer to the mermaids there.

The world's most famous modern artist of 1970 is Weldon Sauder Dan Watkins. They got so confused with his name they gave up and let him have it.

David Bonnett is now the owner of the big super market in the town of Know, Michigan. The trouble is he isn't selling much. The population of the town is 2, he and his wife.

Joan Whiteman---Has been promoted, she is now secretary to the President of the United States.

Class Will

by Dianne Hamann

We, the Seniors of 1959, year of our Lord, being of sound mind and body, do hereby declare this to be our last will and testament, hereby revoking all those previously made by us.

ITEM I

To our sponsors Mr. Self and Mrs. Gunderson, we leave our class feuds and hope they can dispose of them.

ITEM II

Witnesses to this will were the following: A secretarial practice set, a typewriter cover, and the bottle of rubberized glue.

ITEM III

We give and bequeath to the underclassmen the following articles: To the Juniors; The ability and thrilling experience of running the lunch room and cleaning it after the basketball games. To the Sophomores; The pleasure of initiating the green Freshies. To the Freshmen; We leave four years of high school.

ITEM IV

This being the fourth and last item of our class will of 1959, we do hereby leave the following individual articles:

DIANNE HAMANN--Wills her ability to put salt in the sugar bowls at the senior stand to Carolee Wright.

Autographs

Dear Carroll,
 It is a real
 pleasure to write
 in such a nice happy
 annual. I want to
 thank you now for the
 nice valentine. I really
 appreciated it.
 Good luck always to
 a real sweet little boy.

Your friend
 Donna Lincold
 Junior 1958-59

Dear Carroll,
 Always be as nice
 as you are now
 and you will grow
 up fine
 your friend
 Carol Jeane
 4th Grade, 1958-59

Dear Carroll,
 If you think
 you're so sweet,
 Take off your shoes
 and smell your
 feet.
 Your friend,
 Carol Winger
 4th grade 1958-59

Hi Carroll!
 Remember that
 when I wrote in your
 annual, that I was in
 your class! o.k.?
 Will always remember
 you in my class that day
 as you seemed to be the
 most considerate boy in
 my class.

Be good Carroll,
 and study hard in school
 (Church too!)

Love to sweet
 boy -
 Carolyn Allen
 Junior - 1959
