FOREWORD

We, the School Publications Class of 1964-65, have tried to express through the use of the camera and the written word one year of school life. We have tried to show some of the accomplishments, emotions, activities, and personalities which will be held as fond memories in the years to come.

This is not an easy task, for there are many aspects of school life to be shown. Unavoidably some activities have been omitted and some have more attention than others.

For this purpose and to depict our own feelings, we proudly present THE 1965 ECHO.

COMMUNITY

CLUB

Members of the Hospitality Committee prepare refreshments to serve after the meeting.

The purpose of the Stewartsville Community Club is to promote the objectives and goals that would be in the best interest of the community.

The club meets the fourth Thursday of each school month.

The theme this year was "Know Your Community."

The programs were: A report on Girls' State by Lynne McCord, a report on Boys' State by David Belt, The Honorable Stafford Owen, DeKalb County Representative; a report on her European Tour by Mrs. Judy Colhour, Robert Paden, DeKalb County Prosecuting Attorney; Elston B. King, First National Bank, Plattsburg; a church panel, ministers of community churches.

The devotionals were given by local ministers. The grades provided special numbers.

Their fund-raising project this year was a talent show. The proceeds will be used to purchase new equipment for the school.
