

Census Records: Pike County, Missouri

This was a project that was never completed.

While I do not agree with the concept of transcribing Census Records, these old files will be left in place.

The pages are static, converted to searchable pdf's and put together as one file.

Use them for reference only, finding family and figuring out the hand written records for yourself

Reformatted: 13 February 2026

1850 Census Records

1850 Census [Index](#) USGenWeb Archives, Pike County, Missouri, S-K Publications, Dec 1999
