DIES IN COUNTY INFIRMARY

Henry Bozier, for many years a well known negro of Clarence, who was taken to the county infirmary about a year ago, was found dead in bed Friday morning. Bozier had realized that he was soon to pass away and when in Clarence a few weeks ago he told several persons that they would probably not see him any more.

He made arrangements with Mr. Neff, manager of the infirmary, to call Mr. Hopper at Clarence in case of his death. His body was brought here Saturday morning and prepared for burial by Mr. Hopper, undertaker.

Bozier had been subject to epileptic fits for two years and that was the reason he was taken to the infirmary. A collection was taken up to partly pay Mr. Hopper for going after the corpse and embalming, also for flowers. He was well liked by the white people here and had worked for many of them. His age was not known, but he was thought to be 70 years old or more. His colored friends dug the grave without cost and he was buried in the city cemetery Saturday afternoon.

All Religious Bodies Blended For Sacrifice

Mott, director general of the United War Work Campaign. "This great campaign (the combined drive of Nov. 11 18) will give us a chance to show that the men and women at home are capable of raising to the same heights of splendid co-operation as their representatives over there."

Tragic Death

Virginia Mae Walker, two-months old daughter of Mr. and Mrs. Otho Walker (colored) of this city, was fatally injured in an automobile accident on Highway 36 near the Clarence baseball diamond Sunday afternoon about 5:00 o'clock. The child died less than an hour after the accident.

The tragedy occurred when Mr. Walker, with his wife and three children, drove his Model A coupe from the baseball diamond, where they had been attending a ball game between the Clarence Blues and a Monroe City colored team, on the highway in front of a Paris dump truck driving east. The truck driver swerved to the other side of the road to avoid a collision, but a sudden turn on Walker's part, likewise meant to avoid an accident, sent the two vehicles together.

Little Virginia Mae was thrown against the windshield, crushing her skull. Her parents received minor injuries, while the brother and sister, the latter riding in the rumble seat, were unhurt. The occupants of the dump truck, including the driver, a woman and child, and a hitch-hiker, also escaped without injury. Walker's car was badly damaged.

DEATH OF A BABY

Richard Lyle, youngest son of Roy and Lorene Wood, passed to his heavenly home August 4, after a short illness. Altho he was with us only a few months, his sweet baby ways had won our love. All was done that loving hands could do. His last days were unusually sweet.

He fell asleep in Jesus as calm and sweetly as a babe in its mother's arms. Not a struggle, not a gasp.

"It was not in cruelty nor in wrath

That the reaper came that day. It was an angel came to earth And carried Richie away.

Always the tenderest buds they take,

Pure and lovely and undefiled, When a gift of love unto God they'd make

They always come for a little child."

The funeral was conducted by Bro. Sneed. He having had a similar sorrow, could speak words of comfort and sympathy.

We know Richie will be missed by the parents, the brothers and sisters in the home, yet we can think of him as being above the clouds safe in the arms of Jesus.— One Who Loved Him.
