

# SHELBY CO., MO. MARRIAGES 1835-1875

Marriages in Book A and B have been included in these indexes,

Groom index page 1-40, Bride index page 41-80,

name of groom, name of bride, date of marriage, book and page is noted. The B\* denotes more information is in the original record. Records that show no book and page indicate that the only record is a "Marriage Return" which are on file at the Shelby County Historical Society museum. Copies of these records are available from: [museumshelbycomo@centurytel.net](mailto:museumshelbycomo@centurytel.net).

If a marriage is marked "N-", we do not have the Marriage Return, the marriage is available from the Shelby County courthouse. Over 1750 marriages are included, we have Marriage Returns for over 1550 of them.

Names have been copied as are in the original record, but many names have been corrected. Vester was Lister, Jourdan was Gurdane. These records are extremely hard to decipher. The marriage records were first indexed in 1980's, and this update in 2011. Anyone having corrections is encouraged to contact the museum. Some of the name variations are: Aduddle/Duddle, Dines/Dynes, Hightower/Hytower, Kile/Kyle, Kneff/Neff, Mays/Mayes, Markwood/Marquardt//Marquette, Nalor/Nailor/Naylor, Palsgrove/Pilsgrove, Spate/Speight, Vanskike/Vanskoike, Waibel/Weibel, Wilcox/Willcox.
