Shelbina Democrat, Shelbina, Mo., Jul 24, 1901 - Dec 30, 1903

Wed. July 24, 1901. Robert Smith sold his 120 acre farm six miles north of Hunnewell, to J. V. Lyell, s/o Al Lyell, one day last week. We hope Mr. Smith will buy again in this county as he is a good farmer.

He says some rain has fallen in his neighborhood and if rains will come at once, considerable corn may yet be raised. He thinks farmers made a great mistake by sacrificing their stock, especially stock hogs; that they might sow rye and help winter much of their stock.

Wed. Jul 24, 1901. Gene and William Hawkins, near Hawkins post office met with an unpleasant experience last Monday. They were at work in the field and used lemonade instead of drinking water. The bucket was kept in the shade of a tree in the middle of the field. In the course of their work they passed near the bucket and would drink as they felt inclined. Sometime about the middle of the afternoon both were prostrated and fell on opposite sides of the field. In this condition they lay, each wondering why the other did not come. They were found by their father about sunset. Dr. Gentry was called who pronounced it lead poisoning, caused by the tin bucket. Yesterday they were reported beyond danger.

Wed. Jul 31, 1901. Mrs. R. P. Adams went to Bevier last Saturday and returned on Monday accompanied by her sister, Miss Pearl Coard, who has been visiting Mrs. Lon Colvert at that place. About two weeks ago Miss Pearl was kicked by a horse just below the knee and has been unable to walk ever since.

Wed. 10 Sep 1902. Among Shelbina business listed: A splendid telephone exchange and connection with all telephone exchanges in north-east Mo. A long distance telephone station.

Our Telephone System. The Shelbina & Shelbyville Telephone Exchanges, Messrs Frank Dimmitt & George W. Humphrey proprietors, is another industry of the town which should not be overlooked. This company has, besides the line to Shelbyville & Bethel, and exchanges at both of these places, a line to Newark & one from Bethel to Leonard. It also has connections with all northeast Mo lines. The company also owns a one-half interest in the line between this place & Paris. The Shelbina & Shelbyville Telephone Co. has just finished putting in new posts on all its lines.

There are now 110 telephones in use in Shelbina & Shelbyville. A new and improved switchboard was recently put in here, and all old receivers are being replaced by new and up to date ones. The telephone system of Shelbina is under good management and is doing effective service.

The latter part of 1890 the Farmers & Laborers Unions of Shelby county decided to build a mill, it cost \$18,000.

In April 1891, the mill, a three story brick structure located just east of and adjacent the railroad yards, was completed. In 1896 the mill was sold to Crow & Co, the name changed to Shelbina Roller Mills. J. F. Crow was head of the new firm; James Hamilton & J. W. Whaley were the other members of the firm; James Hamilton in Jan 1902 sold his interest. ...

Mrs. A. Donley will leave today for Shelbina, where she will spend a few days visiting relatives and will then go to Hunnewell, where she will spend the winter with her son.
