REUNION BOOKLET: Louise Wilson-56, Design; Charlette Schwieter -59, Copy

The Indian Head on the front cover is a scan picture from an actual Shelbina Indian Letter Emblem found in the old high school just before it was to be torn down. It is thought to be used in the 1930's.

This booklet is dedicated to our parents, family members, teachers and school board members who gave up so much so we could have an education that would prepare us for life's challenges. To them we are eternally grateful.

THANK YOU!

Thank you to each and everyone of you who came from near and far to help us make these past two days a success. We hope in some way we have brought back happy memories of the "Good Old Days" at Shelbina High School.

To all of you that worked so hard and did whatever it took to make this All School Reunion a reality, "Thank You" . A special thanks to C & R Market for all their help and support. To the person who donated money for the rent on the building, you are a true Shelbina Hero. To the Shelby County Historical Society and Kathleen Wilham a huge thank you for helping us get all the school records together. We couldn't have done it without you. Last but not least our thanks to the Shelbina Christian Church Board and Staff for the use of their new building along with their support and help.

LOOKING BACK

WHEN WE RECALL THE PAST, WE USUALLY FIND THAT IT IS THE SIMPLEST THINGS NOT THE GREAT OCCASIONS THAT IN RETROSPECT GIVES OFF THE GREATEST GLOW OF HAPPINESS.
